

# 2018 OHSRC Swim and Dive Team Application

## PREREQUISITES FOR SWIM AND DIVE TEAM

**Swim Team:** Children as young as four years of age are welcome to join the swim team if they are “water ready” and willing to swim. This should not be confused with swim lessons. **A child must be able to swim an entire length (25 meters) of the pool independently.** The Head Swim Coach will decide if a child has the necessary skills to participate in team practices and meets. If a child is “water ready”, but unable to swim the minimum distance at the end of one (1) week of practice, the child will be strongly encouraged to attend swim lessons until he or she has the ability. Children will not be entered into meets until they have demonstrated consistent ability to swim the length of the pool independently.

**Dive Team:** Children as young as four years old are welcome to join the dive team if they are “water ready” and willing to independently jump off the diving board into deep water and swim to the side. The Head Dive Coach will decide if a child is ready to participate in dive team practices and meets.

## PARENT RESPONSIBILITIES

I understand that it is my responsibility as a parent of a swim and dive team member to volunteer at a minimum of four (4) half meets or two (2) full meets and/or to assist at dive meets as needed. A half meet may last as long as two (2) hours. A schedule of workers will be published prior to each swim and dive meet and sign-ups will be conducted through Team Unify ([www.teamunify.com/recohsrc](http://www.teamunify.com/recohsrc)).

**NEW THIS YEAR:** In order to ensure families are fulfilling their volunteer requirements, each family is now required to write a check to OHSRC for \$50 prior to the start of the season. If you fulfill your volunteer requirement, your check will be not be cashed. If you do not meet your requirement, your check will be cashed to cover associated costs. Parent participation is vital to the success of our swim and dive team. We cannot run meets without you.

**If I cannot work at my scheduled time, it is my responsibility to find a replacement.**
