

2022 OHSRC Swim and Dive Team Application

PREREQUISITES FOR SWIM AND DIVE TEAM

Swim Team: Children as young as four years of age are welcome to join the swim team if they are “water ready” and willing to swim. This should not be confused with swim lessons. **A child must be able to swim an entire length (25 meters) of the pool independently.** The Head Swim Coach will decide if a child has the necessary skills to participate in team practices and meets. If a child is “water ready”, but unable to swim the minimum distance at the end of one (1) week of practice, the child will be strongly encouraged to attend swim lessons until he or she has the ability. Children will not be entered into meets until they have demonstrated consistent ability to swim the length of the pool independently.

Dive Team: Children as young as four years old are welcome to join the dive team if they are “water ready” and willing to independently jump off the diving board into deep water and swim to the side. The Head Dive Coach will decide if a child is ready to participate in dive team practices and meets.

PARENT RESPONSIBILITIES

I understand that it is my responsibility as a parent of a swim and dive team member to volunteer at **a minimum of five (5) half meets or two and a half (2.5) full meets and/or to assist at dive meets as needed. Separately, I understand that I will also be asked to volunteer at A and B finals if my child is participating.** A half meet may last as long as two (2) hours. A schedule of workers will be published prior to each swim and dive meet and sign-ups will be conducted through SwimTopia.

In order to ensure families are fulfilling their volunteer requirements, each family is required to write a check to OHSRC for \$75 prior to the start of the season. If you fulfill your volunteer requirement, your check will not be cashed. If you do not meet your requirement, your check will be cashed to cover associated costs. Parent participation is vital to the success of our swim and dive team. We cannot run meets without you.

If I cannot work at my scheduled time, it is my responsibility to find a replacement.

2022 OHSRC Swim and Dive Team Cap Order Form

Silicone caps with our team logo are available for purchase. These are the same design as last year. We strongly recommend purchasing a cap, as they are part of what gives our team a unified look during meets (and makes your swimmer go faster!) Caps take 3-4 weeks to arrive, so orders are due **NO LATER THAN MAY 15th**.

- Cost is \$13.50 per cap with no name.
- Cost is \$16.00 per cap with name. The personalized cap requires a 2-cap minimum to order. (Both caps must have the same first name or same last name.)
